Features

Accessories:	Pole Tenons, Spoke Arms and Brackets are standard for 2 3/8 post top or knuckles. For other sizes please specify. Available for all poles.
Finish:	TGIC Thermoset polyester powder coat finish is electrostatically applied at a 3.0 mil nominal thickness. A five stage metal pretreatment process and sealer provide maximum corrosion resistance. The powder top coat is baked in excess of 400°F for supreme endurance.
