

Litelume LED Recessed 4" Adjustalume Series

The Litelume LED Recessed 4" (LL-RDL4) Adjustalume Series is a downlight luminaire designed for retrofit or new construction. The spring-action housing clamps and universal voltage allow for easy installation. Featuring 3 level lumen output and 3 color adjustable CCT, allowing for customized energy savings and comfortability.

PRODUCT FEATURES

Adjustable Lumen Output and Color

This commercial downlight features adjustable lumen output for three distinct lumen levels equivalent to various CFL lamp combinations. Simply adjust the lamp power to the desired lumen output by sliding the selector switch on top of the fixture.

Power	Lumens	Color
Low-5W	480	3000 3500 4000
